

# COMMUNITY ENGAGEMENT INTERNSHIP

## ROLE DESCRIPTION:

Support our Community Engagement Coordinator (CEC) on community engagement efforts around two main projects: City of Vancouver Comprehensive Planning Community Engagement and Education and the Women's Health Equity Study.

## RESPONSIBILITIES:

- Shadow CEC to meetings with City and County officials to learn about their proposed rules and regulations and attend select workshops about comp plan topics.
- Attend (some) city planning meetings and public hearings with CEC.
- Assist at community engagement events for both projects.
- Assist in analyzing and summarizing data from these events.
- Assist in developing and administering community surveys and analyzing survey data for the comp plan process.

## QUALIFICATIONS:

- In college or have completed degree (at least has an AA, if they are not actively in school)
- Majors/majored in Sociology, Psychology, Women's Studies, Human Development, Political Science, or a related field
- Interested advocacy and community organizing on women's health equity and equitable land use policies
- Solid verbal and written communication and must be comfortable talking to community members (either one-on-one or public speaking)
- Can communicating regularly over email
- Reliable transportation to work in-office in downtown Vancouver
- Excellent communication and teamwork skills
- Available on select weeknight evenings for (some) city/county meetings or community events
- Social science research experience preferred but not required
